

Anneliese Day KC

Call 1996 | Silk 2012

"She's widely acknowledged to be one of the stars of the Bar and working with her it is clear why – she is a master strategist, has a giant legal brain, is a relentless fighter and a charming advocate."

Chambers & Partners

✉ amd@fountaincourt.co.uk

☎ +44 (0)20 7583 3335

Anneliese Day KC is one of the leading Silks at the Bar with a stellar reputation for being *"a standout genius"* and *"an absolute rockstar at the top of her game"* who is *"untouchable on her feet"* with a *"towering intellect"*.

She combines this legal acumen with having *"the Midas touch in the way she communicates with clients and solicitors"*. The breadth and depth of her expertise is demonstrated by her selection as one of just sixteen **'Stars at the Bar'** by *Chambers & Partners*.

Anneliese's practice as *"a leading lawyer of her generation"* and *"a ruthlessly brilliant advocate"* covers all facets of commercial litigation and arbitration (as both lead counsel and arbitrator). She has worked on significant and complex cases (at both first instance and appellate level) in the UK and Ireland, Asia Pacific, the Caribbean, Europe and the Middle East. She is recognised as a *"leading light"* in ten practice areas by the legal directories not only in the UK but in a variety of jurisdictions around the world and as a Global Elite Thought Leader in *Who's Who Legal*.

The exceptional quality of Anneliese's work has led her to win a number of coveted awards, including *The Lawyer's* 'Barrister of the Year', **'Silk of the Year'** at *The Legal 500's* UK Bar Awards together with numerous individual practice area Silk of the Year Awards. She has also been identified as one of the 500 most influential people in the UK by *Debretts* and as a *"good leader for the 21st century"*.

Recent Highlights

Supreme Court victory in Abbey Healthcare (Mill Hill) Ltd v Simply Construct (UK) LLP

Acting as Lead Counsel for the successful appellant in a landmark case on whether a collateral warranty is a construction contract under the Housing Grants, Construction and Regeneration Act 1996. The case overturned two previous decisions on the law in this area.

Claim by Moderna v Pfizer/BioNTech in relation to COVID-19 vaccine technology

Acting as Lead Counsel for Moderna (instructed by Freshfields) in relation to the commercial and jurisdictional aspects of its UK patent dispute with Pfizer/BioNTech in respect of mRNA vaccine technology. The case was highlighted as one of *The Lawyer's* 'Top 20 Cases' of 2024.

Felipe Massa v Formula One, Bernard Ecclestone and FIA

Acting as Lead Counsel (instructed by King & Spalding) for Formula One in this high-profile \$80 million dispute regarding the claimant's failure to win the Drivers' Championship in 2008, including defending allegations of conspiracy and inducing an alleged breach of contract.

\$350 million arbitration in Trinidad concerning an infrastructure contract and security issues in English Court of Appeal

Acting as Lead Counsel in connection with the termination of a \$350 million road contract in Trinidad having successfully had a call on the project security confirmed by the Court of Appeal in [London](#). Anneliese also acted in a linked arbitration in Trinidad, and in the subsequent proceedings, successfully challenging the award, currently before the Trinidad Court of Appeal.

DIFC audit claims against Deloitte (including 3 Court of Appeal Hearings) and KPMG (in proceedings concerning the Abraaj Group) (including 2 Court of Appeal hearings)

Acting as Lead Counsel on behalf of Deloitte (instructed by Clifford Chance), in three hearings (and three appeals) in the DIFC in respect of a claim for \$128 million by minority shareholders of the former Lebanese Canadian Bank. Anneliese is also acting as Lead Counsel on behalf of administrators (instructed by Simmons & Simmons) in a \$600 million audit claim brought by entities within the former Abraaj Group against KPMG, and successfully secured DIFC jurisdiction in a hearing before the DIFC Court of Appeal in a landmark ruling.

Expertise

AI, Crypto & Technology

A significant part of Anneliese Day KC's commercial and construction disputes practice has always included acting in IT and tech disputes. That work has now broadened to encompass AI and crypto issues.

Many of her current instructions are confidential but some high level examples are listed below.

Notable AI, Crypto & Technology cases

Acting for an IT company in relation to a \$30 million claim against a subcontractor in an arbitration arising from an unsuccessful project to produce software for use in bank payment systems.

Advising a mobile network provider on tech related issues.

Acting for the Independent Office for Police Complaints in relation to complex failures in its computer systems.

Art & Cultural Property

Anneliese regularly advises and acts in relation to cases concerning art and cultural property.

Notable Art & Cultural Property cases

Acting and advising in numerous auction houses cases concerning authenticity of paintings and other contractual issues.

Acting in various bailee cases where important pieces of jewellery have gone missing.

Acting in High Court proceedings related to alleged fraud and negligent audit concerning high end classic cars following the collapse of JD Classics.

Construction, Energy & Infrastructure

Anneliese Day KC is rightly recognised as a Star Individual by *Chambers & Partners* and as a Tier 1 Leading Silk by *The Legal 500* for her Construction practice. From her involvement in one of the most significant construction decisions in *Walter Lily v Mackay*, through to her wealth of experience in PFI cases, Anneliese is at the top of her field and one of the most in demand construction silks in the world, whether appearing in court or in arbitrations, both internationally and domestically

Her deep knowledge is reflected in the “landmark” report she produced with Paul Morrell OBE for the Government post Grenfell in relation to the safety of the construction products testing regime which has received widespread publicity and critical acclaim.

Anneliese is equally well regarded for her energy work. She is one of the few London silks to operate at the top level in both commercial and construction focused energy disputes in London, the Middle East, the Caribbean, and Asia Pacific. Indeed, it is her ability to combine her deep commercial and construction experience into the field of energy that sets her apart from her peers.

Notable Construction, Energy & Infrastructure cases

Sky UK v Mace & Others

Acting for Sky in a substantial claim against Contractors All Risk (CAR) insurers, concerning a damaged roof at the client's flagship premises, Sky Central, requiring major remedial work. The litigation is extremely significant for all parties, particularly given that few CAR insurance claims reach court (most are arbitrated).

Petroleum Company of Trinidad and Tobago v A & A Mechanical Contractors and Co Ltd [2022] UKPC 39

Acting for a state-owned petroleum company in response to an appeal to the Privy Council in London, relating to a contract governing the provision of steelworks.

Independent Review of the Construction Products Testing Regime

Appointed on behalf of the UK Government to lead an independent review of the system for testing construction products, alongside Paul Morell OBE, including in relation to how the current system could be strengthened to provide confidence that construction products are safe and perform as labelled and marketed.

Covalis v Banco BTG Pactual

Acting in an energy-related investment claim concerning contractual agreements and the alleged non-payment of performance fees agreed between the parties.

The National Paediatric Hospital Development Board of Ireland v BAM

Acting in a construction dispute connected with Ireland's national children's hospital.

Blackpool Borough Council v Volkerfitzpatrick and Others

Acting for Volkerfitzpatrick in defence of a claim by Blackpool Borough Council regarding alleged defects in the Blackpool Tram Depot.

Premier Inn Hotels v McAleer & Rush and Others

Acting in a claim in the Technology & Construction Court arising out of the cladding issues which led to the Grenfell Tower fire, involving the Premier Inn hotel at Gatwick Airport.

RG Carter Projects v CUA Property

Acting for the defendant in a case in the Technology & Construction Court concerning the historic Cambridge University Arms Hotel and the refurbishment of what is an exclusive accommodation and dining venue in the university city, involving allegations of negligence and misrepresentation.

Equis v Cowan

Acting for the defendants in a multi-million-dollar claim brought in the Cayman Islands against a major Asian private equity group, involving allegations of conspiracy and dishonest assistance, in relation to investments in renewable energy companies.

Atlas Hive Limited v Gerallt Price Davies T/A Sterling Asset Management & WRW Construction

Acting for the claimant in relation to a claim on a construction bond.

Acting in a case concerning how the rules on conflicts of interest affect litigation experts, including in relation to fiduciary duties.

Gwynt y Môr OFTO Plc v Gwynt y Môr Offshore Wind Farm Limited & Ors [2020] EWHC 850 (Comm)

Acting for the operating company of the second largest offshore wind farm in defence of a claim by the purchaser in the Commercial Court. The case involved complex issues relating to the contractual construction of the Sale and Purchase Agreement.

Acting in an arbitration concerning a significant termination dispute relating to the construction of a large data centre for an American technology company.

Instructed to advise on an issue of contractual interpretation in relation to a wind farm in Scotland, specifically relating to breach of contract which led to multi-million-pound losses.

Acting as lead co-counsel in one of the largest SIAC arbitrations heard in 2018 between Samsung and Duro arising out of the Roy Hill Iron Ore project in Western Australia where over \$1 billion is in dispute.

Acting on behalf of Capita in respect of a claim brought against it by Morgan Sindall arising out of the refurbishment works at Lancashire County Cricket Club.

Acting in one of the highest value construction disputes in the UK arising out of the construction of a jetty for berthing nuclear submarines at Faslane in Scotland.

Acting on behalf of the developer of an extremely high-profile development in Azerbaijan in an arbitration where our client is being pursued by its construction manager for sums in excess of \$60 million.

Acting in a high-profile arbitration in Trinidad concerning Trinidad's road network following the termination of a \$350 million contract with a Brazilian contractor.

Instructed in a complex technical UNCITRAL arbitration arising out of the decommissioning of nuclear facilities in Lithuania.

Walter Lilly v Mackay

Acting on behalf of the winning party (both at first instance and on appeal) in the landmark case, giving her particular

expertise in relation to delay and global claim issues at both a theoretical and practical level. Following Walter Lilly, she has been asked to give seminars in a number of jurisdictions, including advising on how the decision can be used in a FIDIC and NEC context.

Acting for Beck Interiors in relation to a dispute concerning the refurbishment of the Lanesborough Hotel in London.

Acting for the successful claimant in a case concerning the former London Stock Exchange. The court ordered a contractor to pay £14.7 million in damages following the failure of toughened glass used to clad a central London office block. The breakages were found to have been caused by the contractor's breach of its contractual obligations to heat soak all of the glass in accordance with European Standard EN 14179 2005.

Acting on a number of high-profile road related PFI disputes in the UK, including successfully taking all the way to the Court of Appeal a dispute concerning the entirety of Birmingham's Road network, the largest PFI project in the UK. She also recently appeared in a series of expert determinations and related court proceedings concerning the M25 road network.

Acting on behalf of a UK Port Authority in a significant dispute with a wind turbine manufacturer which was successfully resolved in her client's favour following the commencement of an arbitration.

Acting on a series of high-profile and complex adjudications for a contractor in relation to the construction of a large wind farm in Scotland which led to the resolution of a five-year dispute, including flying to Scotland at short notice and directing a large number of witnesses and experts in preparation for the adjudications.

Advising an employer on the proposed termination of a large wind farm project.

Acting on behalf of Amec and Morgan Sindall as one of two lead counsel in a claim against the Ministry of Defence relating to Faslane nuclear submarine facility in Scotland in a dispute worth £300 million, one of the biggest disputes in the UK in recent times.

Acting on behalf of a large civil engineering contractor in Northern Ireland in relation to a number of infrastructure disputes, including acting as counsel in the *Belfast Harbour Commissioners v McLaughlin & Harvey v Doran*, a huge £20 million professional negligence claim pertaining to the plan for the construction of Belfast Harbour.

Acting for the Irish Government in a large road dispute, including successfully defeating a large value adjudication claim.

Acting on behalf of the UK government in relation to an arbitration concerning the termination of a PFI contract

Successfully defending engineers in relation to an allegedly negligent failure to report on compression failure, including obtaining indemnity costs.

Acting on behalf of Carillion in a five-week trial in Manchester TCC in a final account dispute arising out of a project at Warrington College. After a three-month hearing, Anneliese's clients were the net receivers of money together with a significant costs award in their favour.

Acting on behalf of a Joint Venture Company in respect of issues arising out of motorway construction in a case involving both English and Scottish law.

Commercial Disputes

Anneliese Day KC is recognised as a Leading Silk by both *Chambers & Partners* and *The Legal 500* in relation to commercial disputes. She is noted for her strength of advocacy and tenacity in fighting her client's cause. She is highly persuasive in front of judges and arbitrators and able to gain the respect of everyone she interacts with. This enables her to not only skilfully leads teams, but also cross-examine both lay and technical witnesses to the greatest effect.

Anneliese has been involved in some of the largest commercial disputes, both domestically and internationally, including those involving novel points of law and high profile cases with a significant PR element.

In addition to the cases that go to court, Anneliese's robust advice often means that her cases settle on advantageous terms. Her commercial approach to disputes means that she can guide decision makers and assess the strength of a case early on. Her strategic advice has seen her instructed to give opinions and resolve matters where others have been unable to do so.

Notable Commercial Disputes cases

Directory Quotes

"She is an absolute genius and an assassin in court. She has fantastic people skills and massive technical ability too."

Chambers & Partners (Insurance)

"She is at the top of the Bar and fated to be one of the best silks and advocates of a generation." "She is technically astute and has a fantastic eye for detail."

Chambers & Partners (Construction)

"A standout genius. She is stupendously talented. Very experienced in heavy cases and unflappable on her feet."

The Legal 500 (Professional Negligence)

"Like an iron fist in a velvet glove, she cross-examines witnesses very well and gets to the heart of the case very quickly." "She acts directly and quickly on the key issues."

Chambers & Partners (Commercial Dispute Resolution)

"Anneliese is without doubt in a league of her own - she has a unique combination of the sharpest of intellects and insightful and perfectly calibrated judgement - she is the ultimate trial lawyer. Very well prepared, tactically sophisticated and intellectually agile, while never losing sight of the ball."

The Legal 500 (Insurance & Reinsurance)

"Instructing her is like sending your opponent a battering ram with a first-class stamp. She is frighteningly bright, superb on her feet, completely unflappable, has an exceptional work ethic and is blessed with an incredible memory for detail." "A formidable and very able advocate."

Chambers & Partners (Commercial Dispute Resolution)

"Anneliese is one of the undoubted leaders in her field. She is a superb cross-examiner with meticulous attention to detail. She is someone you want leading the team on difficult cases where the evidence will make a difference."

The Legal 500 (Construction)

"Anneliese has a Midas touch in the way she communicates with clients and solicitors. She's a total class act and an outstanding talent." "She has a deep knowledge and everybody respects her."

Chambers & Partners (Insurance)

"A remarkable silk. She is reactive, thoughtful and strategy-led."
